Pepperell park is a tract of land of a number of acres, situated on the easterly side of the village, and was granted to the town in 1752, by Sir William Pepperell. The donation of a part consisted of four acres "for building a meeting house, for a burying place, and for setting up a schoolhouse, and for no other use or end whatever." A still larger grant was made of land adjoining, by the same granter, "for a training field," etc. The Unitarian church is situated on this grant.
